DISCIPLINE PLAN: 2021-2022

OPE enjoys the well-deserved reputation of providing a safe, nurturing environment that supports students' learning and growth. To help maintain this environment, we are providing you this copy of our school rules and consequences so that you can review them with your child. We believe that when students know what is expected, and their effort is rewarded, they behave accordingly and develop strong citizenship skills.

Our top five school rules reinforce our belief that each student has a right to learn and each teacher has a right to teach. Each student will:

1. Be kind, considerate, and cooperative.
2. Respect self, others and property.
3. Be on time and prepared to learn.
4. Respect the learning and teaching process.
5. Be positive.

The following questions guide our decisions and actions: Is it kind? Is it safe? Is it courteous? Is it fair? Would I want others to treat me this way? Can I be proud of my actions?

Students are expected to follow the rules outlined in this Discipline Plan. Students who consistently do so will earn the respect of their teachers and their peers, as well as opportunities for rewards and recognition. Consequences for disregarding the rules may include: a parent contact, written apologies, behavior contract, reduction of recess, time out during part of lunch recess, a meeting with the principal, after-school detention, "in-school" suspension, suspension from school, or expulsion---depending on the offense.

The staff at OPE is committed to doing everything possible to ensure a safe and positive learning environment to support your child's academic achievement and character development. You are the most important person in your child's life, so it is important that we work together to support the Discipline Plan outlined here.

Please review with your child all of the information contained in this document, **then sign and return the last page to school.**
